Born and raised in Lemon Grove I have been actively involved in our community for over a decade. Now is the time for new ideas and hard work to guide our city into the future. I am the Co-founder of the Lemon Grove Improvement Council and the Lemon Grove Business Improvement Group and Past President of the Lemon Grove Chamber of Commerce and I have attended City Council meetings since 1995.

City Hall insists there's a structural deficit needing a raise in sales tax that the electorate rejected in March 2020 so as a new council member I will examine financials thoroughly. Our city needs structural improvements to enhance our quality of life and property values.

Public Safety is important and crime is never low enough if you are a victim. I will support creative ways to protect our residents and look for collaborative funding to make that happen.

As a resident and taxpayer, you deserve a leader who works for you. I will work tirelessly to make sure that your voice is heard and my salary and benefits will be donated to provide more sidewalks in Lemon Grove. I will provide leadership that is needed and that you deserve.
